**Policy:**

The Head Start Program will perform a Community Assessment once over the five year grant period with annual updates. Results from the Community Assessment will be used to ensure community strengths, needs, and resources are identified and adequately integrated. Results from the Community Assessment and updates will be analyzed, as required by Head Start Performance Standards.

Results from the Community Assessment will be used annually to reassess long and short range objectives; program option and services provided; center locations; and criteria that assign priority to children and families.

The Community Assessment will include information related to:

- Number of Children experiencing homelessness and foster care
- Availability of publicly-funded full day pre-kindergarten
- Availability of early childhood programs in the community
- Availability of state and other publicly funded preschool
- Demographic data on Head Start eligible children and families
- Children with disabilities, including types of disabilities services
- Education, health, nutrition and social service needs of Head Start eligible children and their families including prevalent social or economic factors impacting their well-being
- Typical work, school and training schedules of parents with eligible children
- Child development, child care centers, family child care programs, publicly funded state and local preschools and approximate number of eligible children served
- Community resources and strengths

If resources are determined to be inadequate to meet the needs of the entire service area, the EHS-CCP program will request permission from the Federal Regional Office to revise the recruitment area to select the areas that have the greatest need for EHS-CCP program services, as determined by the Community Assessment.

Community Assessments and all updates will be approved by the Head Start Policy Council and Governing Body Advisory Committee which holds responsibility of programmatic oversight as it reports to the City Council (Governing Body).

**Policy:**

The application process must be completed prior to determining a child’s eligibility into the Early Head Start – Childcare Partnership (EHS-CCP) program and include requirements described in age, service area and income.

- **Age:**
  - A child must be an infant or toddler younger than three years old. A child may remain in EHS-CCP, following his or her third birthday, until he or she can transition into the DHS’ Head Start Program. Children not transitioning in to the DHS’ Head Start Program Start may remain in the program until the end of the term.
  
- **Service Area:** Children applying for the EHS-CCP program must reside or the parents/guardians work within the San Antonio or Edgewood Independent School Districts or qualify under the McKinney Vento Act.
  - **Income** Family’s income is equal to or below the 100 % poverty guideline; or
  - Family is eligible for, or in the absence of child care would be potentially eligible for public assistance, including TANF child only payments; or
  - Children who are in foster/kinship care or children who are homeless are eligible for the EHS-CCP regardless of income.
  - If a child moves from an EHS-CCP to a Head Start Program, the family’s income must be re-verified.
  
- **Additional Allowances:**
  - Families with an income at or below 130% of the *Federal Poverty Guidelines may be eligible* for enrollment in the Head Start Programs. The total number of families with income between 101%-130% of the *Federal Poverty Guidelines must not exceed 35%* of the total funded enrollment.

- Families with an income above 130% of the *Federal Poverty Guidelines* may be eligible for enrollment in the Head Start Programs. The total number of families with an income above 130% of the *Federal Poverty Guidelines* must not exceed 10% of total funded enrollment. Children accepted above the 130% of the Federal Poverty Guideline must be approved by the grantee's administrator.

**Policy:**

The Early Head Start – Child Care Partnership (EHS-CCP) Program and Child Care Service providers will actively locate and recruit families most in need of EHS-CCP services including children with disabilities, those who are experiencing homelessness, in foster care, children receiving Child Care Subsidies, and other vulnerable children.

A recruitment plan will be developed each year and approved by the Head Start Policy Council and Governing Body Advisory Committee which holds responsibility of programmatic oversight as it reports to the City Council (Governing Body).

The EHS-CCP Program will publicize the recruitment areas to enhance the likelihood that eligible families and children will apply for the program.

Recruitment materials will be available in the applicant’s native language or where possible staff will be available to communicate with families in their native language.

The Early Head Start Child Care Partnership must maintain a monitoring system for recruitment and report on all recruitment efforts.

**Policy:**

Early Head Start – Child Care Partnership (EHS-CCP) Program will select children and families with the most need for Head Start services, without regard for race, gender, disability, or creed in accordance with Head Start Performance Standards, Head Start Act and the DHS Head Start Program ERSEA policies.

If a child is declared eligible, his or her selection will be based on points received from the Selection Criteria Point System which is developed from the Community Assessment and approved by the Policy Council and Governing Body Advisory Committee which holds responsibility of programmatic oversight as it reports to the City Council (Governing Body).

At the beginning of each enrollment year, eligible children will be placed on a waiting list and prioritized according to the Selection Criteria Point System. A waiting list must be maintained throughout the program year. .. To ensure the children with the most need are selected for the program, a minimum of two separate selection events must occur. Selections must not exceed 90% of funded enrollment during the first selection event.

Selections must be conducted using the following waitlist priorities:

- **Income Eligible on the waitlist from 0% - 100%**
  - Using the waitlist, developed by the point system, EHS-CCP program will first select only children whose family income is at or below 100% of the Federal Poverty Guideline or those who are eligible for or, in the absence of child care, would be potentially eligible for public assistance; or children who are homeless or in foster care.
  
- **Income Eligible on the waitlist from 101%-130%**
  - EHS-CCP may select up to 35% of families who do not meet the Income Eligible criteria above. These selections may occur after demonstrating all income eligible children, families eligible for or in the absence of child care, would be potentially

eligible for public assistance, children who are homeless, in foster care, and children with disabilities on the waitlist have been selected.

- **Over Income on the waitlist 131% and above**
  - EHS-CCP must receive approval from the DHS Head Start Program Administrator prior to selecting an over income child unless the child has a current IFSP. Total participants accepted for this selection must not exceed 10% of the program funded enrollment. Excluding this priority, the EHS-CCP program may select over-income children after demonstrating they have conducted outreach and exhausted all resources to enroll income eligible children, families eligible for or in the absence of child care, would be potentially eligible for public assistance, children who are homeless or in foster care.

#### **Selection Exceptions:**

- **Children with Disabilities-** To comply with Head Start's requirement of having 10 percent of actual enrollment be children with an identified disability or delay, the program must give priority to children with a suspected disability or delay as identified by Part C of IDEA program during the selection process. This priority stays in effect until 12 percent of enrolled children are children with disabilities or delays and will be granted as follows:
  1. Income eligible children from 0-100% Federal Poverty Guideline with a current Individualized Family Service Plan (IFSP)
  2. Income eligible children from 101 – 130% Federal Poverty Guideline with a current Individualized Family Service Plan (IFSP)
  3. Over income children from 131% and above Federal Poverty Guideline with a current Individualized Family Service Plan (IFSP)

All, IFSPs and letters from licensed professionals must be reviewed and verified by the EHS-CCP Disability Coordinator. All supporting documentation must be scanned and attached in Child Plus.

- **Income Eligible child receiving Child Care Subsidies (CCS)** (101 – 130% Federal Poverty Guideline).
- **Tiebreaker** - In cases where families have the same point total for the same slot, priority will be given to the younger child.

**Policy:**

The Early Head Start – Child Care Partnership (EHS-CCP) will ensure daily attendance is recorded in the Child Plus data tracking system.

- The EHS-CCP must implement a process to attempt to contact the parent/guardian for any unexpected absences to ensure the child’s well-being.
- The EHS-CCP program will provide support efforts to promote the child’s regular attendance
- The EHS-CCP program will emphasize and provide information about the benefits of regular attendance, support families to promote regular attendance, and assist families with referrals for services that will enhance attendance.
- The EHS-CCP program will conduct a home visit or other direct contact with child’s parent/guardian if child has two consecutive unexplained absences.
- Within the first 60 days of the program year and thereafter, the EHS-CCP program must conduct an analysis utilizing individual child attendance data to identify children at risk of missing 10% of program days per year. The EHS-CCP program must then identify reasons for absenteeism and develop strategies to improve attendance of children at risk. Strategies may include direct contact with parents or intensive case management. All efforts and contact with parents must be documented in Child Plus.
- In circumstances where chronic absenteeism persists and the program has made appropriate efforts to reengage the family and attendance does not improve, the child’s slot may be then considered vacant with the Head Start Administrator’s authorization.

When the monthly average daily attendance rate falls below 85%, the EHS-CCP program must analyze the causes of absenteeism and determine the systematic issues contributing to the program's absentee rate. A process must be implemented, utilizing absenteeism data, to identify program strengths and needs and implement a plan to continuously evaluate compliance of performance standards.

The EHS-CCP program must support homeless eligible children by allowing attendance up to 90 days, or as allowed under state licensing requirements, without immunization and other records. Programs must give families reasonable time to present documents and work with families to obtain immunizations to comply with state requirements.

The EHS-CCP program must utilize community resources, where possible, to provide transportation to homeless children experiencing absenteeism due to transportation to and from their child care center.
